

Static Guard & Mobile Patrol Service

Darlex Risk Management has almost 20 years of experience in the provision of Static Guarding and Mobile Patrol Services, it has become one of the most respected security companies in our profession. At Darlex we understand that your business is unique, so our security services are tailor-made to your requirements.

Darlex Risk Management offers a static security service to safeguard your staff, clients and property and offer high-quality services worldwide.

Our static guarding and mobile patrols involve manned services on access points, guarding of equipment or valuables as part of loss prevention, crowd control, event security, scene securing, or personal protection, essentially anything requiring our team under instruction delivering our customer's needs.

We pride ourselves on our customer service and the quality of the task performed. Our highly trained teams are complimented on a regular basis by our customers.

Our goal is to constantly exceed our customers' expectations and ensure all their assets are safe and secure.

A delivery of quality and expertise...
